COUNTY COMMISSIONERS, SUPERINTENDENT OF THE
COUNTY FARM, CLERK OF THE SUPERIOR

TREASURER, AUDITORS,
COUNTY SOLICITOR

COMMISSIONERS' REPORT.

In accordance with the Public Statutes of the State of New Hampshire, The Commissioners of Hillsborough County submit the annual report of Commissioners, the Superintendent of the County Farm, the County Treasurer and other County Officials for the year ending December 31, 1924.

Under the continued direction of Mr. Charles Connor, as Superintendent, and Mrs. Charles Connor, as Matron, the farm has been operated in most satisfactory manner. Their work has been so extraordinary as to draw words of praise from those visiting the Grasmere Institutions during the past year.

The House of Correction also coming under their management has been maintained in a very creditable manner.

Mr. John L. Wentworth, the veteran assistant superintendent, has brought credit to himself for his hard, earnest work, and whole-hearted co-operation with Superintendent Connor in carrying on the important work.

Dr. Damase Caron and his Assistant, Dr. E. B. Swett, Miss Addie Moore, Matron and Superintendent, and her assistant, Mrs. Jessie R. Corey, have given the same devotion in their work in administering to the sick and destitute, that they have been noted for during past years.

The Rev. E. E. Brodeur and The Rev. E. C. Goodwin, have looked after the spiritual welfare of the inmates, administering to the sick and doing their best with heavenly words

of comfort to all inmates. Their work has been very praiseworthy and deserves comment.

John T. O'Dowd, as Jailer, and Mrs. John T. O'Dowd, as Matron, at the Jail have maintained the same high standard set by them at the beginning of their regime. Sheriff O'Dowd is fast becoming a national figure, for his ability in the handling of prisoners at the County Jail.

A great many Public Officials and citizens availed themselves of the opportunity to visit our splendid County Institutions during the past year much to the pleasure of the Commissioners.

In closing we want to extend our heartfelt thanks to the Selectmen of the different towns in our County, and Overseers of the Poor, who have aided us in any way in the performance of our official duties. We have endeavored and labored for the best interest of the taxpayers of Hillsborough County.

Respectfully submitted,

JAMES B. HALLISEY,

GEORGE J. GINGRAS,

THOMAS F. SHEEHAN,

County Commissioners.

SUPERINTENDENT'S REPORT.

*To the Honorable Board of Commissioners and Citizens
of Hillsborough County:*

GENTLEMEN—In submitting my second annual report for the year 1924 I am more than pleased to state that conditions in this institution seem to be satisfactory.

The inmates appear to be comfortable and happy at all times.

We have continued with the repairs started in 1923 and have added many improvements.

The main building has all been gone over with paint and kalsomine and new steel ceilings put in the Assistant Superintendent's office, the main corridor and reception room. New electric fixtures have been put in the big dining-room, chapel, Assistant Superintendent's office, and reception room. Some new singing books have been bought for the chapel. We have put in new radiators in the sitting-rooms and dormitories, and we now use direct steam heat in the main dining-room, chapel, men's large dormitories, men's smoking room and large basement under the chapel. We have replaced the kerosene pipe lighters with electric ones, which does away with any danger of fire.

Some of the rooms in the asylum have been painted and kalsomined.

A large three-pocket washing machine has been installed in the laundry, replacing an old and smaller one.

We have had steel ceilings put in the Superintendent's house and new electric fixtures; also several of the rooms have been painted and kalsomined.

The cow barn and horse barn have had two new coats of paint.

A new large meat baking stove has been placed in the large kitchen to replace steam cookers, as well as a new exhaust fan, which removes all food odors and steam.

We have been over several of the rooms at the hospital with paint and kalsomine and replaced a number of plaster ceilings with steel ones. A new sterilizer has been placed there for use in the operating room.

Our garden crop was much larger than usual, considering the unfavorable weather.

We have purchased a new 100-gallon three horse power sprayer for the care of the trees.

Our side track, which was in bad shape, has been repaired with about 300 ties cut on the farm.

Our herd of cattle have been inspected regularly and have all tested perfect.

The heating plant is in good condition, and has been given good care, being overhauled several times during the past year.

I wish to express my heartfelt thanks to all organizations and individuals who have added comforts and pleasures to the inmates of both the farm and the hospital.

To the physicians and chaplains, officers and attendants, who have shown their willingness and desire to add to the comfort of our little community, I wish to extend my deepest thanks.

To the Commissioners I also express my heartfelt thanks for their support and noted interest in the betterment of this institution and its human welfare.

Respectfully submitted,

CHARLES P. CONNOR,
Superintendent.

GENTLEMEN—During the year we have conducted religious services twice a month in the chapel and attended funeral services as occasion required. Again, I wish to express my great appreciation and thanks to Superintendent and Mrs. Connor for their courtesy and kindness in my duties.

I wish to thank all the officers for their helpfulness in my work.

Again, in closing my report I wish to thank Miss Moore and Mrs. Corey for their kind assistance at the Hospital.

Respectfully,

To the Honorable Board of the Hillsborough County Commissioners:

GENTLEMEN—During the past year, the patients at the Hospital have been visited at least three times a week, and all special calls have been promptly answered. Religious services have been held in the chapel of the Institution, which services were usually attended by well over one hundred persons.

On all occasions, I have met with the hearty co-operation of the officers of the Institution. It is with pleasure that I take this opportunity of thanking them, especially Mr. and Mrs. Connor, Miss More and Mrs. Corey for their kindness, courtesy and assistance.

REV. ERNEST EUG. BRODEUR.

REPORT OF THE COUNTY PHYSICIAN.

To the Honorable Board of Commissioners of Hillsborough County:

Gentlemen:—

Owing to the financial conditions of the laboring people of our county, we have been very busy at the Hillsborough County Hospital for the year 1924 and I hope that this report will prove to all those interested that an institution of this kind does a great deal of good to the community, when mills are practically shut down. We have admitted in the year 1924 the largest number of patients in the history of our institution, and for months the hospital has been filled to its capacity.

If sometimes we have been overcrowded by the number of patients, the interest for their welfare has not been neglected and Miss Addie M. Moore and Mrs. Jessie R. Corey, with our staff of nurses, have multiplied themselves to meet requirements and give efficiency.

It has become a great problem to get a sufficient number of training nurses in our institution, and I am told that other hospitals have to face the same problem. Perhaps our girls are not inclined towards that vocation.

We must thank your Board for its intelligent co-operation in furnishing us promptly with all the necessities required by the medical and surgical needs to carry out our work with efficiency.

Dr. J. E. Larochelle, a reputable surgeon of Manchester, has been a great asset to our department of surgery and has to be accounted for a large number of operations performed with ability and much relief to patients.

Permit me to add that the hospital needs another women's ward for operation cases. Often we have had to place female patients in private rooms in the ward reserved for men. We would also need an X-Ray apparatus, air cooled and water cooled lamps, and Morse Waive apparatus for treatments, etc. There are many chronic cases who make a long stay at the hospital who would derive much benefit from electric treatments.

If there is an Hospital that needs electric machines for treatment the County Hospital is the one.

A start in that direction would be beneficial to the patients and would meet many requirements.
